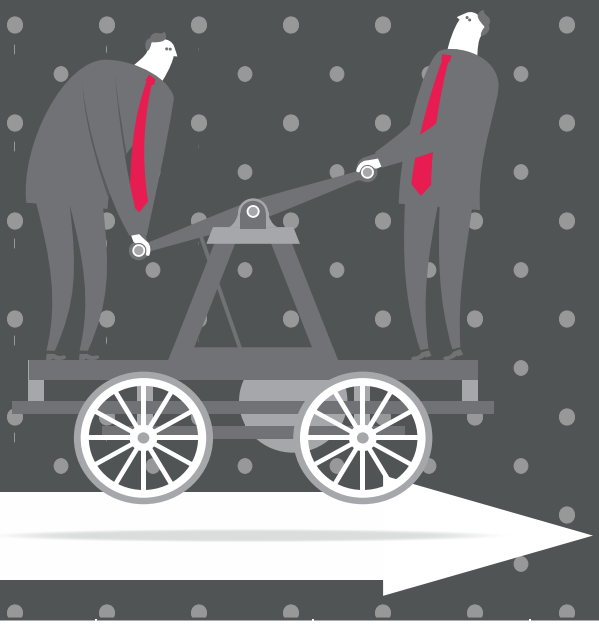
TBAT

Innovation

TBAT Partnership Programme

Through the Partnership Programme, we add value to your clients by providing access to our trustworthy products and services.



Proud to Partner with

- Accountants
- Solicitors
- Patent Agents
- Academics
- Membership Organisations
- Consultants

We reduce the workload of your team, producing high quality reports that meet HMRC requirements; awarding the clients the best possible return.

We have a dedicated team of consultants from varied R&D backgrounds; meaning they recognise all qualifying R&D work.

Innovation

REFERRAL PARTNER

Add value to your client's journey by offering complimentary services with us, creating additional trust by referring them to a leading consultancy.

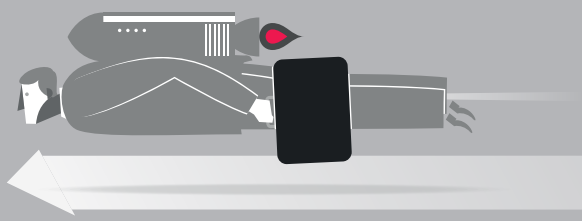
COLLABORATIVE PARTNER

Transform your client's journey by building a seamless integration between your services and ours, by actively marketing our partnership and services.

Referral Payment per-transaction basis

Support for you and your clients

Dedicated TBAT Representative



"The depth and breadth of their knowledge across their services is second to none, leaving us confident our clients will get the right advice time and time again" **FBC Manby Bowdler**

"TBAT were truly exceptional in their ability to create a clear and concise final report of projects brought to fruition from my more creative and unstructured way of thinking."
Ian Ault, Director, Direct Trade Bags.
